

North East Kent Coast Research Conference

You are invited to book for the 2008
Research Conference at Pfizer Social Club,
Richborough, nr Sandwich, Kent, CT13 9NJ

9.30am – 4.00pm
Tuesday 25 November, 2008

Are you interested to find out more about
the latest scientific research in our coast and
marine environment - then this is for you!

Presentations include:

- **Marine Protected Areas (MPAs) – the Eastern Channel ‘Marine Conservation Zones’ project**
- **The Pegwell Bay chalk erosion project**
- **Effects of Spartina clearance in Pegwell Bay**
- **Green algae around Thanet – friend or foe!**
- **Reviewing biotopes in Botany Bay**
- **Problems with shellfish production in NE Kent**
- **Pacific oysters distribution within the inter-tidal zone**
- **The CHARM 2 project - towards an ‘ecosystems approach’ to managing the local marine area**
- **Metals concentrated within the sediments of Pegwell Bay**
- **An open group ‘conversation with the sea’ led by a scientist & fisherman about the state of our fisheries**

**If you would like to exhibit a display or posters, please contact
the Thanet Coast Project on 01843 577672.**

This conference is coordinated by the North East Kent
Scientific Coastal Advisory Group with support from Pfizer Limited.
Places must be booked online and are only £5.00 each.
Lunch and refreshments will be provided.
