End event:	05/12/2025 15:00
Off site:	N/A
Total Attendance:	0
Ticketed:	Yes
Event type:	Community

Full Details

Event Information

Event name: Thanet Coast Project - Public Events 2025

Event description: The Thanet Coast Project (TCP) is hosting a series of small public events in 2025.

These educational events aim to raise awareness and provide insights into the local marine wildlife and geology of the North East Kent Marine Protected Area (NEKMPA) along the Thanet Coast. As a responsible landowner, Thanet Council plays a crucial role in promoting the significance of the nature conservation designations (SAC, SPA, MCZ, SSSI) along the coastline and maintaining their favorable condition. These events offer an excellent opportunity to engage with the local community and visitors, fostering a deeper understanding of the local shorelife. Additionally, the beach clean activities actively involve participants in practical conservation efforts.

Event website: <https://www.thanetcoast.org.uk/events>

Promotional activity: Online: www.thanetcoast.org.uk/events

Thanet Coast Project – public events flyer & posters

‘Visit Thanet’ (tourism site) events

NEKMPA/TCP Facebook and Instagram

TDC press release/events

Some other local contacts - eg schools /parent news/ Busy Broadstairs & local magazines etc

Beach Cleans also through: <https://www.mcsuk.org/what-you-can-do/join-a-beach-clean/>

Type(s) of Activity:

Other

Any other type of activity: Environmental Education Events

Attendance

Expected daily attendance (at any one time): 20 to 80

Young People, Families, and All ages

Event open to the public?: Yes

Event ticketed?: Yes

Cost of tickets?: Donations

Benefit to the local community?: Thanet Council's role as a landowner is to promote awareness of the nature conservation designations (SAC; SPA; MCZ; SSSI) along the coastline and maintain them in good condition. The Thanet Coast Project events are a fantastic way to raise awareness and engage with the local community and visitors. They offer an opportunity to 'experience' and observe the local shorelife of the Marine Protected Area and get involved in practical activities like local beach cleans.

Event Checklist

Event Activities

Other

Other event activity details: Environmental Education Awareness Events for the coast and marine protected area - see TCP Event Management Plan for 2025 (attached)
